# ABOUT US

The Maison Carrel Elegant complex is located near Cervinia, in the picturesque village of Avouil. If you're looking for peace and relaxation, the charming village of Avouil is the perfect destination. It's an ancient and traditional alpine village where nature takes center stage, and time seems to stand still. This is also the place where, in 1865, Jean Antoine Carrel began his adventure to conquer the Matterhorn.

The architecture of Maison Jean Antoine Carrel, which preserves traditional elements of the Aosta Valley style, is inspired by the design of the ancient alpine village. The structure offers a breathtaking view of the majestic Matterhorn, creating an atmosphere of silence and tranquility, all while being just 1 km from Cervinia, one of the most renowned ski resorts in Europe. Here, everything is surrounded by fairytale landscapes, with the iconic Matterhorn towering over the village.

# TOUR SUGGESTIONS

# TOUR OF THE CASTLES OF THE AOSTA VALLEY

WITH TASTING OF TYPICAL LOCAL PRODUCTS  
ACCOMPANIED BY EXCELLENT LOCAL WINE.

Explore the combination between the nobility of local products and the fairy-tale castles.

The Aosta Valleys castles are rightly recognized among the most suggestive and representative of the whole European Middle Ages. They reveal the history of a strategic region, whether they were: rough fortresses surrounded by imposing defensive walls or delightful mansions whose architecture blends perfectly with the landscape.

## GUIDED TOURS OF LOCAL PRODUCTION COMPANIES

WITH TASTING OF TYPICAL LOCAL PRODUCTS

Discovering a territory also means to search for its authentic flavours, combined with ancient "knowledge" and patientwork.

A dream come true, immersed in the rich flavors of the Aosta Valley. These itineraries will take you deep into the area's history and customs. The local delicacies we savor today are the result of techniques preserved over time, combined with a privileged geographical position. Some of these products, such as Fontina, Fromadzo, Jambon de Bosses, and Lard d'Arnad, have earned the prestigious "Protected Designation of Origin" status and can be perfectly paired with the region's fine Aosta DOC wines.

# GUIDED TOUR OF ALPINE ROME MEDIEVAL AND ROMAN AOSTA

The excursion includes a visit to the Triumphal Arch of Emperor Augustus, simply known as the “Arch of Augustus,” the Collegiate Church of Saint Ursus (featuring a Romanesque-style courtyard surrounded by porticoes, a church, and archaeological excavations of the pre-Christian basilica), the Porta Praetoria, the Roman Theatre, the Cathedral of Santa Maria Assunta, and ends at the main square called “Piazza Emilio Chanoux”.

Maison Elegant was founded in 2012, almost by chance, during a time when short-term rentals were still a concept yet to be fully explored. Since then, we have grown and distinguished ourselves in the renowned tourist destination of **Breuil-Cervinia**, in the heart of the Aosta Valley. We later expanded to **Courmayeur**, **Chamois** and, more recently, to **Sicily**, **Puglia** and **Portugal**.

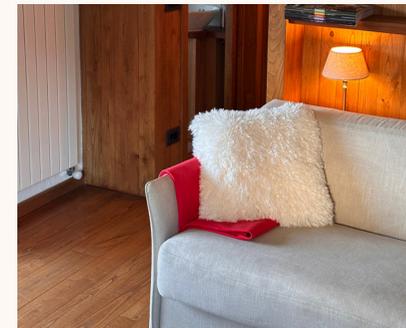

What sets us apart is the meticulous attention we give to our clients and our deep knowledge of the surrounding area. We are not just a short-term rental provider; we are also a licensed tour operator, allowing us to offer our guests unique and exclusive experiences.
